## **ROLE OF IQAC**

### ***The Primary aim of IQAC***

To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.

### ***Functions of IQAC***

- Faculty development programme is being organized in each semester to make the teaching-learning process more effective and efficient.
- Frequent feedback from student, parents and others regarding quality-related institutional progressions.
- Organizing seminars, workshops, inter and intra-collegiate meets to improve the quality and the inner-talents of the students on various themes.
- Development of quality culture in the institution.
- Soft skill programmes are being arranged to enhance the empowerment of the students.
- Preparation of AQAR report of the institution.
